PATENT

Applicant respectfully reminds Examiner that Applicant has filed the present patent Application Pro se. As such, there are several informalities that render it difficult for Attorney for Applicant, Greg O'Bradovich to properly refer to certain line numbers. As such, the following amendments refer to page numbers and paragraphs as filed. Although it is believed that the amendment references are clear, if Examiner has any difficulty in finding the referenced sections, Attorney for Applicant asks that the Examiner call him for clarification.

Please amend the application in the following particulars:
